PASTOR – I WOULD LIKE TO BE SAVED?

April 7, 2008

Dear Praying People!

The work here continues to go forward! We have had a wonderful time serving our LORD Jesus Christ this last month.

Well, little by little your missionaries arm is mending and he is getting back into the routine of preaching 4 times per week. The highlight last month was BABY DEDICATION. Three families with their 7 children dedicated themselves to raise their offspring in the "*admonition of the Lord*" (Ephesians 6:4). This is always a great service here, where almost everyone brings new visitors.

The great things about baby dedication is the families who take it serious will be rewarded by their Lord. Such a one was Emmanuel & Karolina with their son Jeremiah. They dedicated their baby almost 7 years ago. On Easter Sunday, Jeremiah came with his parents and said: "pastor, I would like to be saved." We sat together with Jeremiah and he prayed for his salvation. Praise the Lord, he asked Jesus to save him. He has learned about Jesus, sin and salvation in Sunday school and at the feet of his parents. It is rewarding to parents to be faithful to their saviour and attend church faithfully.

We have received 60,000 chick tracts: 20,000 for Warsaw, Poland; 30,000 for Munich, and 10,000 for Prague, Czech republic. Last week Gordon Pulley (SMORS), Jesse Williams, and I travelled to Prague (4 hours from Munich). Together with John Rettig and his people we passed out almost all of the 10,000 tracts in just two days. In Munich for the last two weeks we handed out 6,000. We have had twelve first time visitors since last month in our services.

Thank you for your prayers and support. Please continue to pray for our health and for the salvation of our landlord, Mr. & Mrs. Danninger. Also please pray for the visitors we have had that they will all get saved and join us here to serve the Lord together. Pray for a continued awakening in Munich.

Sincerely your missionaries,
Wilhelm & Sandra Falk
