

May 18, 2004

Dear Pastor, Congregation and friends!

We are THANKFUL to be able to report to you about the blessings of last month.

First, I am THANKFUL, how our wonderful Saviour healed my dear Sandy. The doctors at Cleveland Clinic said in the beginning: "Absolutely NO surgery at this time. Her doctor treated her with medication and the great LORD did the rest. At the last check-up even the doctor was surprised at Sandy's progress. She told him: "I have many friends all over the world who have been praying for me. I believe in God's divine healing along with the Dr's knowledge for treatment. We have a wonderful Saviour!" The doctor listened intently as Sandy gave a word of testimony. He told her, it was an accident that she became his patient. Sandy said: "Doctor it is never an accident!" He needed to hear about Jesus.

Second, I am THANKFUL how you dear supporting churches have helped us with extra financial burden. We are THANKFUL for your love gifts once and again. Thank you for the many cards, telephone calls, encouraging notes and the Emails. May you all be blessed continually.

Third, I am THANKFUL to our Sunday school teachers at Bibel Baptisten Gemeinde, who faithfully teach God's word. I am THANKFUL that 2 young lads asked Christ Jesus to be their Saviour.

Fourth, I am THANKFUL for my Sandy, who was able to help our daughter Laura, in Tampa, Florida, who did have surgery on April 30. While Laura is recovering and Sandy mending, I am THANKFUL that both of these women walked circumspectly in invited their neighbor to the Mother & Daughter Tea. Both the mother and the 14-year-old daughter got saved that day.

Fifth, I am THANKFUL for the 7 people from USA, Lord willing, that will be coming this July to help out on the streets of Munich getting the word of God out among the public. Please pray, as we continue to win souls and build Baptist churches. Pray for open doors. THANK YOU for your faithfulness to us. Pray for Laura, as she will be having her second surgery in the next couple of weeks.

Sincerely your missionaries,
Wilhelm & Sandra Falk
