As we have participated in year-end celebrations we've heard many testimonies of life change in our various ministries. May they encourage you as they have us! After all, you participate in the lives of each one of these and many more. Through your prayer and support of our ministry men and women's lives are changing (including pastors).

REVER (Restoration Ministry)

"Thanks to REVER I'm a different mother. I act differently now. In word and deed I'm gentler and more caring with my children and no longer rude and insensitive to them."

"I am an angry man. But in REVER I have begun to see how to deal with my anger. I am amazed that I can behave differently when angry feelings arise."

"Outwardly I may seem cheerful. Those who know me best say I'm a very unhappy, angry young lady. Here I'm starting to deal with my anger."

"This ministry helped me resolve conflicts, listen to others better, speak less and value the feelings of others."

"REVER was the balm that God used to change my perspective on His church and to believe in His plans for planet earth."

"Seeing REVER planted in my church brings revival, spiritual warfare, renewal, joy and trials all wrapped into one in the hopes of experiencing a healthy church."

"I'm learning to hear God's voice in my heart."

"As I am getting to know myself better, I can be a blessing to others."

"Seeing REVER planted in my church brings revival, spiritual warfare, renewal, joy and trials all wrapped into one in the hopes of experiencing a healthy church."

"In my church this ministry is restoring torn lives, which in the past were deeply wounded, but now are being uncovered and treated."

"The pastors group has become a time for restoring my soul." Jorge.

"The group offers my wife and me an environment of grace, where mutual care is given wrapped in sincere friendship." Ozéas.

Men's Ministry

: "Until last year, I was an absent father. At a recent swim meet my son took 1st place.

He told me he was happy. Why because you won?" I asked. "No, because you are here today with me," my son responded.

*"The men's ministry restored something lost inside of me—**trust in other men.** I've now found friends who are truly there to help when I need them most."*

Because you continue to **care, pray and give** these blessings are ours to share!

Rejoicing with those who have call to rejoice,

Samuel & Connie Gill
