

Jack & Joy Loveday
Baptist Missionaries Serving in Spain

Dear Pastor & Church,
May & June, 2004

Missions on the Mission Field.

The Iglesia Bautista Biblica gave \$12,720 to Missions during the last year through the Faith Promise Plan. One of our missionaries, Juan and Maria Esther Alvarez (mexican missionaries serving in the Basque region of Spain), preached our Missions Conference in April. A group of 7 ladies have met the past 3 Sunday afternoons, due to decisions made during the Conference, for a class on soul winning!

Mother-daughter banquet.

Joy challenged the mothers in our congregation to make this a truly evangelistic effort. Their efforts brought 36 mothers and daughters to our meeting! We had 6 first time visitors and a total of 12 unsaved mothers and daughters. We are still seeing fruit from this meeting. One of the visiting mothers, Bogusha, wants to send her daughter to Children's camp. Another visiting mom, Lidy, has been coming to church faithfully ever since. God has given Joy wonderful opportunities to do some follow-up with Lidy and her mother, Coralia, on several occasions. Praise the Lord for Marilyn, Gina, Romelia and others, who are working hard and witnessing faithfully to win their friends to Christ. This is precious to our hearts and something we have longed to see for many years!

Prayer Request:

Abraham & Miriam - Abraham attended our services for 6 months, but has now returned to his home in Chile. Pray for their salvation. Daniel - (age 10) is the grandson of Mercedes. He has begun a Children's Bible Course at home. Pray that his grandmother might to see him saved soon. Miguel & Jose - Miguel (husband and father), and Jose (single man), have finished another year of studies in the Bible Institute. Pray for God's guidance in their lives. They will be serving in the church while we take a 3 month furlough in the Fall. Summer Camps: As always, we covet your prayers for the 5 weeks of camps this summer. It is truly a blessing and an encouragement to our hearts to watch God's hand at work in our midst. Thank you for your part in giving and praying for the salvation of souls in Madrid.

Pray for.....Eric and Amanda..... trip to Ethiopia.

In His Service,
Jack, Joy and Sandy Loveday
