

January and February, 2004

Dear Pastor and Friends,

We are happy to be back in the Philippines after 4 months in the states due to seeing my doctor and Donna's operation. Donna is doing fine but is not back to her normal strength yet. Continue to pray for her and for my kidneys, to improve in their functioning.

We had our home church anniversary on January 25th. Our people worked to bring their friends. We had 8 visitors and 40 professions of faith. God honored our work for Him. Our people were encouraged.

ASIA BAPTIST BIBLE COLLEGE had, Dr. Phil Stringer here for 2 weeks teaching on the Master level. The subject was 'CHRIST IN THE OLD TESTAMENT. WE HAD 23 PASTORS WHO ENROLLED. I AM PLANNING TO START ASIA BAPTIST BIBLE SEMINARY IN JULY 2004. This is a big step for me because I already have too much work to do. The need is great. This will help many more pastors. To do this I will need qualified teachers and pastors who will be willing to devote 2 or 3 weeks of teaching at our college. We are not able to pay you for your efforts. I will also need your help to house, feed them and provide transportation for the teachers. If you are qualified and willing to help the pastors and students in their education, please let me know soon. I need your help.

Thank you for your prayers and support.
