Dear Pastor and Friends,

"SOLDIER SAVED AND KILLED IN 22 DAYS"

A Philippine Army soldier was invited to our church. His life was in constant danger of being killed while on duty. During the invitation a lady asked him if he would like to receive Christ as his Savior. He said, yes, but next time I come. She said, no; you will not come back and you need to receive Christ now. He was too embarrassed to go forward. After the service, the lady asked him to talk to one of our men. He accepted the Lord as his personal Savior. Then 22 days later in an encounter with the enemy he was shot and died on the spot. Thank God for a lady who had a burden to win this soul, her friend, to Christ.

A MERCHANT MARINE SAVED,

A man attended our church to observe the service. He had listened to many Christian radio broadcasts while on the board his ship. His Bible was marked in many places and had memorized some verses. HE WAS SERCHING FORM SOMETHING BUT DID NOT KNOW WHAT. In our church, he was asked if he was saved. He said no, no one had ever asked him that question. We did and he received Christ as his Savior. He was baptized and did not miss a service. He brought his friends to church.

Thank you for your support and prayers for Donna and me. Because of your help each month we are able to continue to serve the Lord in the Philippines.

Your missionaries,
Boyd & Donna Lyons
